Buwaiswa Orphanage Children's Home - OGLM

Profiles – John Waiswa

John was fathered by a run away father; the mother was a sex worker who was working in Kansanga "Red District" in East Kampala the capital of Uganda. By 2001 she had contacted HIV/AIDS. He had given birth to 5 Children with five different men. In 2002 she started using the ARVS drugs to prolong her life, however she got a new lover and in the later 2003 she gave birth to John. When John's father learnt that the mother was pregnant, he ran away never to be heard of. Due to frustrations, pain and worries; she lost every thing she had in her life. She passed away when John was 3years old. Her body was brought back to the village for burial from Kampala. Her greed relatives stole every thing and left the orphans without any property in life putting the life of John and 4 others at balance. This story of unforgiving suffering made it hard for John to enjoy his childhood. In 2007, John was brought to the orphanage by the local authority and after we had made some background checks on him, we accepted him as our own. Later on when realized that he still needed a more home environment a granny was arranged to take him in. There is a lot of potential in the life of John, he keeps on trying even when things seems so hard, he is a very keen boy, slowly his ability to communicate is growing. John is a strong boy who has seen every thing; he partly understood when the relatives of her mother were grabbing their properties including his clothes. He has seen life, because his mother was a sex worker, he has been there when her mother brought men for sex services in their small rented house. At one point he spoke about the pains of seeing men force themselves on his mother. To a child at an early it shows her John's memory was/is strong. He has kept fair grades in class, his health has increased and he is a better boy now. His love for drawing pictures, dress clean proper clothes and playful life is a good side of life. We consider 20th/Sept as his birth date. With only \$32 or \$45 per month, you can sponsor John
